“ We offer our heartfelt condolences to the entire McCain family for the loss of your beloved father. I had only two occasions to be in the presence of your Dad but they both were memorable. The first was at Taj's graduation from the Christian Pre-School in South Hackensack and the later in Votee Park at an outdoor concert sponsored by the Recreation Dept. What I do know is that he raised a loving family and set a fine example of what a father should be. To Rob, Darren and Taj specifically, know how proud you made your father and grandfather through your love, devotion and care when he most needed it! May God grant you peace as you celebrate the life of your dear Father and continue to support his life partner of 61 years. May God wrap you all in his protective arms and shower you with his grace!

*Most Sincerely,
Lurlean Gillispie, Retired Assistant Superintendent of Recreation

“ Mr. McCain was a great family man. When I first moved to NJ the
McCain's were the first family that I met. They welcomed me into
their home with open arms as if I was one of their one children. He
was a loving spirit, a sincere gentlemen, and quite the craftsman.
My fondest memory was him building furniture, with his bare hands,
for his family room. I truly appreciate the conversations we had and
know that you will truly be missed Mr.D'.

“ *I am really saddened to hear this, I worked with Donald at 34St and 6th Ave for about four years and knew him my whole career with the TPD in Dist 1. I went to shoot pool with him uptown after many a Midnight tour. Shared many a breakfast with him too. He was always there when you needed him a great partner to work with. Always soft spoken and a gentleman. I am honored to have worked and known him in this life. God takes care of all the good people so I am sure Donny will be with the Lord. My deepest sympathies to his family.*

Hearing this made me cry.
