

Donna M. D'Aloisio

August 9, 1952 - January 21, 2024

Donna M. D'Aloisio (nee Mackin), age 71, of Oradell, previously Cliffside Park passed away on Sunday, January 21, 2024. Donna is survived by her beloved husband, Richard F. D'Aloisio, loving children: Matthew D'Aloisio and his wife Kim and Megan Capizzi and her husband Joshua, and her cherished grandchildren: Ryan, Anthony, Michael, and Nicholas.

Donna started her career in teaching at Epiphany School in Cliffside Park. She also taught at Youth Consultation Services in Hackensack. She was a special education teacher and eventually grew in her role developing children affected by intellectual and developmental disabilities and became the School Administrator. It takes a special soul to teach and care for so many children and Donna was that special soul.

Apart from teaching, Donna absolutely loved the beach. Her most precious memories were probably created at Wildwood Crest with her family. She could sit on the beach all day; all she would need to be satisfied was a chair for herself and the kids. Donna was also an avid swimmer. She was a member of the Oradell Swim Club and most recently started to swim in Mahwah. Her family and friends meant the world to her. She expressed that love to them through her cooking. Donna was an avid cook and in turn her husband Richard became an avid eater.

Donna was a devout catholic and member of St. Peter the Apostle Church in River Edge for nearly 50 years. She will truly be missed by many.

Family and friends are invited to a memorial visitation on Friday, January 26, 2024 from 4-8PM at Volk Leber Funeral Home, 268 Kinderkamack Road, Oradell, NJ 07649. A Mass of Christian Burial will be celebrated on Saturday, January 27, 2024 at 10AM at St. Peter the Apostle Church, River Edge, NJ. A repast will be announced after Mass. “ *Rich and family: I am so sad to hear about Donna's passing. I wish I had known in time to pay my respects to all of you in person. I became friendly with Donna at the Valley Lifestyles Pool, and saw her there several times weekly. We connected over a mutual respect for one another as educators, love for spending time with people important to us, and being near the ocean. My deepest sympathy to all of you for your loss. Donna was a lovely, caring, and genuine woman. Sonia Moorehead*
