“ Dear Laura,
I have no idea if you are still checking back to this tribute wall. I was thinking of you today -- way way way too many years have passed and I wish I could just find you to have a chance to catch up. I was saddened to read of your mom's passing. Surely her spirit and energy live on in your heart and through your family. Know that I think of you often, and wish we were still in touch.
With love,
Lauren
