“ Over the years her Love of Family, objectivity, Wisdom, and sharpness of mind all the way to the end made her a special Human Being. Everyone she touched was fortunate and benefited from having known her. An amazing Women and example of what goodness and love is all about. So lucky to have known you Mrs. Brady, You will be alive in my mind as long as I exist. John Colasurdo....Note: Born in same Hospital and day as her son John, 9/21/46.....Always joked about remembering him in the hospital nursery that day!
