“ Dorothy was a wonderful person and friend who will be greatly missed. She always had a smile and a friendly word for everyone. It was a pleasure working at the Teaneck Health Department with such a positive person! She never had a bad word to say about anyone, and was always ready to help anyone who needed it, even if you never said you needed help. She just knew! She was a kind woman, who truly loved her family. Whenever I think of Dorothy, I picture a happy smiling face. We all miss you, Dottie! With lots of love, Joyce Beyer (and Marty, too)

“ I am writing this with a heavy heart. Dottie & I for years have always been at the Ridgefield Park July 4th parades. We had to see the Gooney Birds march. We were always at their meetings and had a drink together. This July 4th, I drove to the parade. We were always at the same Memorial Day cook-out. Dottie was a good friend and I will miss her terribly. May dear Dottie RIP With sadness, Marge McCall
