“ From the heaviest of my aching heart, I am destroyed and deeply heartbroken by the passing of my dear sweet Mother Dorothy. She was the sweetest, most kind, loving, caring person on this Earth. She has been a part of my everyday life since the day I was born and im not sure how I'm going to live without her in it. She is my Mother, my best friend, my buddy, the love of my beating heart ... I know she will always be with me forever but she will be sorely missed by me and Rocky, my family and all that were blessed to know her and love her. She was the BEST Mom and person to me and anyone who ever needed a "Mom" or friend in their life in the whole wide world and if I can be even half the amazing woman that she is I am blessed. There wasn't anything that she wouldn't do for anyone in need. She NEVER judged or mistreated any living being on this earth. She truly cared and sincerely gave of her heart and life without ever expecting anything in return.
The most pure and beautiful soul on earth has left this planet leaving behind an unmistakably legacy of kindness, laughter, wisdom, charm and grace.
Although this is my most painful darkest time I can ever imagine, this whole universe is a brighter place by just having had my amazing Mother in it!!
