“ Barry,
Based on past relationships and the cost of flying back East on short notice, I would rather help defray the funeral expenses you have incurred. I will make my way back East soon, and I would like you to take me to the gravesite, if possible, to pay my respects. You have been a good husband and great man, through thick and thin! You have my upmost respect and admiration.
Frank

I can only believe that she would have smiled to see differences put aside, as life is too short to carry grudges. Take care.

“ *Dearest Uncle Barry and Family,*

I am so fortunate to have shared in the depth of love you have for Aunt Dorothy. Your unselfish wavering love for her and Jofran (my mom, your sister) when you were caring for them both has left such a heartfelt impression on me. For sure mom and Dorothy are walking on the beach and sharing many sunsets as they talk about the depth of their love for you and all. Many prayers, hugs and love to you my beloved Uncle Barry.

“ *Barry, Lisa, & Frank,*

We were so sorry to hear the news...never good...but as someone whose mother was an Alzheimer's patient for 18 years - I choose to think that both Dorothy (and my mom) are now free to "dance with angels".....

May God bless,

Vicky and Rick
