“ To the Schumacher Family; We are so sorry to hear of the loss of your mother. When I told my mother, she said that Aunt Dot was such a joyous person, always walking into the room and lighting it up with her smile and pleasing personality. My mother said you all were blessed to have had your Mom in your life as long as you have had and in such good health too and she's happy for that for all of you. Last month I showed my Mom photos of your Mom on facebook from Jan's b-day party and my Mother commented on how great Dot still looked. I too have alot of fond memories of your Mother and your father from all the time I spent at your house when we were kids also. Our condolences go out to you at this time and we hope that your mother's memorial service gives you peach and strength. Love from Aunt Margaret, Peggy, Maryanne###imported-begin###Peggy Krause Zahlen###imported-end###
