“ *i just came across knowledge of Doug's passing and although this is may years after the fact,  
i am deeply upset over this news. Doug was my first brother, albeit a step-brother as his Mom married my Dad,  
i looked up to him as the big brother i would never have.  
everything about him thqt i knew of was positive.  
i regret that i did not keep in touch with him even after our parents divorced.  
he is sorely missed and it is my hope that if any of his family members would to read this then please know how sincere i am being and i am open to any communication within.  
yours truly  
Johnny Berko

“ My deepest sympathy to your family. I bought two Hondas from Doug over the years and he was the nicest guy. Was very patient all the many test drives. I'm sure if he was that nice and friendly in business he was even more so with family and friends. So sorry for your loss.##imported-begin##Danielle g##imported-end##

“ I used to Mountain Bike w/ Doug. Kenny, Steve, Dave, James and a few others all were "Weekend Warriors" during the very early 90's. That's how I met Doug, and during that brief time, we became good buddies. I only knew Doug for those few years, yet I came to think of him as a dear and loyal compadre-honest, sincere, and kind. His bravado belied an inner peace and willingness to help others-anytime. And on the mountains...HE HAMMERED. His skill made me a better, stronger biker-just trying to keep up w/ him! I last saw Doug about 15 years ago, yet I still think of him often. I consider myself lucky to have been his friend, and am greatly saddened by his passing. My condolences to his family and other friends. Ironically, I find some solace knowing that although his passing was tragically pre-mature, Doug went out while doing what he loved most. Very few of us are that lucky. Keep Hammering, Doug, and look out for falling trees!!!##imported-begin##Conrad67##imported-end##
