“ *What can I say, but every one should have a big brother like Ed. Best memory ever ,when we went to sleep and the next morning.. waking up to look in the mirror and find out you have glasses and a mustache and yes sometimes even a beard drawn onto your face with a pen or even a marker. Of course we knew who it was, cause he would be laughing so very hard. He was our prankster brother. So very grateful he blessed us with his beautiful light.* ”

“ Uncle Eddie you will be missed so much. I've enjoyed our recent talks and text conversations and how you always came to see me when I was with my high school and college classes in NYC. I'll always remember you visiting and getting dicarlos pizza and hanging out. You've left this world earlier than any of us would have wanted but we know you're in heaven with Aunt Mayra watching over all of us especially Linda and the boys. The world is definitely a sadder place with you gone but we will hold our memories close and cherish them. Me, Ezra, and Fiona love you so much.

We know how much he truly Loved all of you .  
He always kept us updated on the boys. He was so proud of them. There will be an empty place in all of our lives without him.
