“ I am a fellow graduate of Edward. This year is our 50th high school reunion. I am on the committee and am creating a memorial of classmates who have gone before us. Ed did not have a picture in the yearbook (the photos I am using). If I may ask, does anyone have a picture of Ed from our high school years, so I can use it to properly memorialize him?

If so, please email me at: Momlitr@gmail.com.

Thank you so much for your time, and may God continue to bless Ed's soul.

“ So shocked to have heard of Ed's passing... My husband and I have worked with Ed in Westwood for a lot of years.... He always had a smile on his face and was always so willing to help me whenever I called him with a problem... Sometimes God makes decisions that we don't understand and we are left just dealing with his decision... i pray Ed doesn't feel sad ... To his family , Our deepest heartfelt condolence ... The gates of Heaven have opened for yet another fine individual that will be missed dearly... I know his co workers are deeply affected by Ed's passing and will be missed in Westwood... Sincerely , Debbie and John Moye...##imported-begin##Debra and John Moye##imported-end##
