“ *My deepest sympathies to Elaine's family. I had the pleasure of knowing Elaine when I worked on the Space Shuttle Program as a young engineer at Bendix. I have nothing but fond memories of her from back then. May she rest in peace.*

“*Elaine was my neighbor. She always took my boys for walks with
her dog when we visited my parents. She was a very kind, caring
neighbor especially when my Mom was ill. She will be dearly
missed.*
