

Eleanor F. Fielding

April 9, 2026

Eleanor “Ellie” Fielding, 32, of West New York passed away on Thursday April 9th.

Ellie was born in Surrey, England and moved to Long Valley, NJ, USA with her Mum Helen and Brother Freddie in 2001. She attended Blair Academy in Blairstown, NJ, and graduated from the University of Massachusetts Amherst with a degree in Psychology.

Ellie worked at The Walt Disney company for the past 7 years in Corporate Real Estate Operations. Ellie loved doing puzzles, painting, or making the best meatballs for family dinners. She laughed all the time and when she started it was infectious. She had a magnetic personality and people couldn't help but be drawn to her. As an organ donor she unselfishly helped others to live.

She is survived by her mother Helen and step father James, father Gareth and stepmother Anne, siblings Freddie, Danielle, Michael, Emily and Felix, her niece Lily, her nephew Jacob, as well as many loving aunts, uncles, and cousins.

A memorial visitation will be held on Thursday April 16th from 2pm to 6pm at Volk Leber Funeral Home 268 Kinderkamack Rd. Oradell, NJ.

In lieu of flowers, please consider making a donation in memory of Ellie to OurLegacy Organ Donation (<https://give.adventhealth.com/give/450027/#!/donation/checkout>)

“ *As Ellie's faculty advisor and college counselor at Blair, I came to know her well. Often she would swing by my office just to say hello. These impromptu visits were sure to brighten my day! Beyond her brilliant smile, I remember that Ellie was never in a hurry...she possessed a grace and patience that were part and parcel of her special personality. Lois and I will miss her beautiful spirit.*

Hello Lewis. I wanted to thank you so much for your kind words about Ellie. She always remembered you very fondly and her time at Blair. I cannot believe how many faculty and students came to wish her goodbye and to show how much she meant to everyone. Her time there was so special and the friends she made are for life. I know we will all miss her so much.

“ *Els Bells,*

Words will never be enough to describe the friendship we shared and the lifetime of memories I will hold close to my heart forever. From being inseparable as kids to still being each other's shadow when we saw each other as adults, you have been such a huge part of my life.

I'll never forget our holidays together — Kath throwing us in the pool in the middle of the night after a Pictionary loss, and in New York when we ended up at the red steps at 2am, laughing until we couldn't breathe... that is how I will always picture you. Your laugh was truly infectious, and you had a way of lighting up every room you walked into, not only with your beautiful smile but with your beautiful heart.

We have loved watching you grow into such an incredible woman, inside and out. You were one of a kind, and I will miss you more than I can say. You have been taken far too soon, but I will carry you with me always — and talk to you every day.

To your wonderful family, who have been part of my life for as long as I can remember, I am so deeply sorry. I'm sending all my love, and I'm keeping you all in my heart during this unimaginable time.

*Rest peacefully, Els Bells.

“ Ellie was truly a shining bright light. She was absolutely beautiful and radiant from the inside out. I met Ellie when she first came to the USA with her beautiful mom Helen and became part of my family, back when she was 6 years old. There are absolutely no words, I'm still in shock and can't believe this is even real. Gone much much too soon! She will be forever loved and missed. My condolences to her family and friends, especially Helen, James, Danielle and Freddie RIP Ellie, you're a beautiful soul and now an Angel. 🙏🙏💔
