“ *Hi Laura and Micky - We were saddened to hear about your mom, Laura. Barb Trapani passed along the obituary. We were actually not long ago looking at the framed painting your mom made of our first house in Vincentown and gave to us. It provides some nice memories. She was a thoughtful and caring women - I'm sure she will be missed. Hope all is well with the family - no longer kid's anymore I bet. Give my best to David and send an email if you get a chance.
