“ Mrs. Eastmond was a wonderful person. As her neighbor she and I would often talk when we took our grandchildren to the Bus Stop. What a blessing it was to have known her. She will truly be missed, but be rest assured she is at peace in Gods loving care.

“ *I will always think fondly of my Great Aunt Betty! All of the Taitt sisters were remarkable in their own way! I know there was more to her than I ever got to know. I am sharing photos from the last few times I saw her and my grandmother together. All my love to her close family members that will surely miss her daily presence in their lives...*

June and December of 2017 brought me such grief. While my life is finally calmer now...it hasn't been easy. I will never forget the wonderful memories accrued and pictures taken. I love you and miss you... Thankful and grateful, ❤️🙏😊

Aunt Betty provided me with support and guidance since I was a little girl, and my extended family throughout our lives, and I will always be grateful and the Eastmonds. She was an example of someone who could be strong during difficulty but who was fun to be around during good times. She had a great sense of style for herself and her home. Our family always looked forward to her visits and she and my mother always remained close.
