“ Hi Cath, and thanks for sending this. I wondered about her recently as a matter of fact. she must have been in her late 90's, no? A good "pro girl" adult in our formative years for sure. The best Girl Scout Leader we could have asked for. I just told my niece Lauren (who is planning a petting zoo at her daughter's first birthday May 20) about your mother taking us to the dairy farm somewhere in N.J. And I will always enjoy the memory of those vanilla wafers coming out of the oven on the conveyor belts at the Nabisco factory she also took us to.

A grand lady. I know you and your sibs have lots of great memories. My thoughts will be with you as you put her to rest.

All the best to you and yours, Deb

“ Betty Oltmer, mother in law to my oldest daughter Laural Ann Oltmer (husband William, youngest of the children):

A mother who so loved all her children and those that they married. Loyalty to them and an untiringly responsible toward them all. I personally know how much she loved her only son, Bill and our daughter Lauri and grandchildren Alexis and Rachel. She also, often talked about all her daughters and their amazing swimming abilities of which she assisted. She so loved all her granddaughters and I know how much Lexi and Ray Ray will miss her. Betty was so there for all the family members and was a tireless worker and helper. Her family could count on her. I know my daughter Lauri always called her Mom, and often chatted to me about how much she loved and appreciated her.

God bless you Betty Oltmer and Godspeed!

*with love,

“ *Bill and Laural and Oltmer Family,*

We will be thinking of you this weekend and hope your time together is blessed with laughter and hugs as well as important tears of grief. She was an amazing woman--memorable, passionate, smart, spry, wise, and a lot of fun! During the flood, your mom and Celeste were a dynamic duo and Betty set an example for us all in the "can do" department. How fitting that you will be celebrating her life on Mother's Day weekend as she was totally devoted to her beloved Billy and his family and to all her children. Come to think of it, she was an advocate for all children! We will miss the bright light of her presence here on earth. She is in God's glory now, in rest and peace.

*Sending all our Love,
Amy & Mark
