“ *Mrs. Ruffini was such a help to me and my son when she worked at Bixby school. She gave of herself as I have never seen from a teacher. She made a remarkable change in the way my son (who was then in 3rd grade) viewed and completed his lessons. She also gave me the tools to help him at home. No one else in Bixby was concerned about his learning disabilities. I was fortunate to know such a caring and devoted person. Blessings to your family.
