“ On Behalf of the Lehman library at columbia university, I just want to express my sincere and heartfelt condolences to the Rodriguez family, particularly to his wife ,children and his co-workers at CU. Enzo was funny, kind and generous with a smile always on his face. He was also a hard working individual who always wanted things to be done immaculately, priding himself in a job well done. He will be greatly missed, but will never be forgotten. " May the love of those around you help you through the days ahead". Jean Pierre##imported-begin##Jean pierre Peguy##imported-end##
