“ *Esther & I shared many hours together at the meetings of the Book & Needle Woman's Club. She was the chairman of the American Home Department & had meetings of the group at her home on many occasions. Her devotion to the club & it's members thru her active years bring great memories to me.*

I'm sure the family has great memories of her 93 years---hold on to those times & memories !

As the Bird Free of it's Cage

So the Christian Soul in Death

Flies Home to GOD.
