“ *Dear Ellen, I happened to read your Mom's obituary yesterday. I'm so sorry for the passing of both your parents. I viewed the photos you shared here. I hope that you take consolation in knowing your parents are together again, as are mine. Time passes so quickly! Decades have whizzed by. I can't remember the last time we were in touch. I'd love to catch up with you. My cell is 201 707-8865. Call or text me if the mood strikes.*

Your old friend,

Joy Roselli Vanderberg

PS Yes, Randy and I are still married-38 years this October!

“ *My dearest, Ellen. I can't imagine the grief of losing both of your beloved parents at once. I was able to see the pictures of your parents and your family enjoying one another and it so lovely to be able to see them and know you better. My heart is with you at this most difficult time. Blessings and love to you, my friend!*
