“ I only heard of Evelyn's passing on Wednesday evening. I will always have fond memories of Evelyn as we worked together at Valley Hospital in the 90's. She was one of my supervisors and someone that I leaned on a lot back in those days. A calm and comforting woman who always had a nice word and a smile for everyone. I remember her always talking about her family. She was one of real nice people in the world. May she rest in peace.
