“ *Do not stand by my grave and weep I am not there, I do not sleep I am a thousand winds that blow I am the diamond's gift of snow I am the sunlight on ripened grain I am the autumn's gentle rain. When you awaken in the morning's hush, I am the swift uplifting rush Of quiet birds in circled flight I am the soft stars that shine at night Do not stand by my grave and cry I am not there, I did not die.##imported-begin##Don##imported-end##*
