“ I am so sorry to hear of Aunt Florence's passing. I have many fond memories of her over the years. Every time our families all got together, she would always greet me with the warmest smile and hug and just being around her made me smile. I remember most of all her infectious laugh.... you couldn't help but laugh too. It was always so enjoyable watching her dancing with Pop-Pop or out on the dance floor doing the Chicken Dance with her at weddings. Her warm smile, her laugh, her blonde curls and her cheerful personality are things that I will never forget.

“ *I remember Aunt Florence as the happiest, most cheerful Aunt I ever had! She was always, smiling and laughing... and she had the most infectious laugh. As a little girl, I remembered her perfect blond curls and the way she and Pop-Pop enjoyed each other's company- talking nonstop, it seemed. She loved to sing and taught herself to play piano. She told me a story about how she often got up in the middle of the night to sing and play piano because she just had to get the song out and she HAD to sing! She was so full of joy! Everyone who met her just loved her... and we'll all miss her!*
