“ Cierro los ojos y pienso en mi tía y esto es lo que viene a mi mente. Mis primos, mis hermanos, mi mamá y ella, mi tía. Todos juntos compartiendo en alguna aventura para hacernos felices.

“ I think of things you used to say  
And all that you would do,  
At some point, every single day,  
My thoughts just turn to you.

To lose you was a bitter wrench,  
The pain cut to my core.  
I cried until my tears ran out  
And then I cried some more.

This wouldn't be your wish for me  
That I'd be forever sad  
So I try to remind myself  
Of the happy times we had.

I know I can't be with you now  
And you can't be with me  
But safe inside my heart you'll stay  
That's where you will always be.

I love you Mom.  
I know that you are now with Abuela and Abuelo, watching over all  
of us, especially your darling little Weston! I'm so glad that he was  
able to bring a smile to you face, even when you were not feeling  
well.

All my love.
