“ *My uncle Frank was a wonderful man who always was ready with a good word for everyone. When I was a boy, he would always be there to urge me on and congratulate me for the smallest accomplishments. His perpetual good nature and positive approach to life were a great comfort and encouragement to me throughout my life and, I am sure, to all others he touched. His way of coping and dealing with the world should be an inspiration to all of us. He is the kind of man I want to be. I offer my sincere condolences to Dolly, Sonny, and the rest of his great family.##imported-begin##Damon Giovanielli##imported-end##*
