“ Mrs. Wagner, Andrew and Gregory, I am so sorry for your lose. Mr. Wagner a was one of the nicest guys. From our years growing up with you all in Guttenberg to running into you all at the Post Office in Teaneck regularly. He always waved or stopped to ask about my Dad when ever I saw him. My prayers and thought are with you all at this
sad time. God bless . Alice Malik Astengo and Family

“ My favorite memory of going out with Carol and Freddy was when the got engaged and Vito and I along with Carol and Freddy decided to go bowling. It was a rainy night when we were walking to the bowling alley. Carol was holding the umbrella over Freddy when we got to the curb Carol missed stepped and fell down. There she was sitting on the curb in the rain and Freddy was standing there with the umbrella hanging from his head. We laughed so hard we could not move. It was a night I will never forget as Freddy and I have a standing umbrella joke amongst us. Freddy Vito and I will dearly miss you. You will always be close to our hearts. Love Johanna and Vito. To the rest of the family our deepest sympathy to you all.

“ My memory of Freddy was when we first met him. Carol Freddy Vito and I were going bowling. As we were walking in the rain Carol was holding the umbrella over Freddy. When we got to the curb Carol missed her footing and fell down. there she was sitting on the curb while the umbrella was still hanging off of Freddy's head. It was a few minutes before we got our composure back as we were laughing so much. Freddy you will be dearly missed by both Vito and I. Their will always be a place in our heart for you. Love you Johanna and Vito
