“ *My great aunt Frieda was always loving towards me. My father (her nephew) always made sure we made a stop by her house on the way to my grandmother's (her sister). Her attic was a fun house for my brother and me filled with all games and toys. One special memory that sticks out is of me visiting her after I made my first communion. I was so excited to see her in my Holy Communion dress. She saw my excitement and equally returned the emotion with hugs and kisses.*

“ *I was blessed to be able to allow my mom to live out her journey her way. She taught me compassion. She taught me how to be compassionate as a daughter, a mother, a grandmother and a nurse. Mom was the ultimate teacher, she lead by example. Her moral compass never wavered, even when it wasn't popular. I will continue to strive to be the woman she expected me to be. I will miss her immensely. I am comforted in knowing her love will live inside me forever. Godspeed mom 💕🙏.*

“ My Aunt completed every thing that she was meant for in this life, touching lives that perpetrates through the generations of children that follow her children. Loving Mother to all the children she touched, supporter of knowledge and accomplishments, a shared confidant in the laughter of irony and absurdity of every day life, always closing the gap of feelings of isolation that we all experience through our childhood, adolescents and adulthood.

She is part of a sisterhood that was ever present to me as a child and young adult, and I cherish ever moment that we had together.

Thank you Aunt Frieda. I pray that you find peace with all your family that have passed prior, since your impact here has been complete and done well.

Your Niece Mary
