“ *Dear Francine, it is Judy Gentry Eustice here. Deb Kelly called me about Guy. I am heartbroken for you and your family. Please know that I am praying for God's peace to surround you. “ *REPOST: I first met Guy a little over 7 years ago. It quickly became apparent to me that Guy was one of those people that don't come along everyday in your life, and when they do, you want to make the most of it. I recently read an article entitled the "30 Characteristics of a Good Guy". They could have been describing Guy to a tee, as, to name just a few, Guy had integrity and character, he had self-respect and gave respect to all, he challenged himself to be a better man, he said what he meant and meant what he said, he was honest, he had good humor, he was adaptable, he had gratitude and knew the importance of both friendship & family.*

Guy and I became, not only colleagues, but good friends. We shared similar values and beliefs in both the work environment and in our personal lives. I will deeply miss him, but will always remember our conversations, dinners & lunches that we had together.

"Wishing the family of Guy peace to bring comfort, courage to face the days ahead and loving memories to forever hold in your heart."

“ *Growing up Mr. Angione treated me like family. He was a great man who taught me so much. I'll never forget Mr. Angione drawing up the perfect play and throwing the game winning touchdown in LBI. He was the most excited guy on the beach that day. He taught us how to play and live like that. Have fun, but take pride in everything that you do. Rest in peace Mr. Angione. Love you.*

“ You were a gentleman among men and I am so, so sorry to see you go. I will cherish all the memories of watching my niece and nephews growing up alongside your children. I will remember you always.

Rest peacefully Guy; continued prayers for your family's comfort during the difficult days ahead.

“ Growing up across the street from the Angione’s, I became exceptionally close with the entire family. In my eyes, Guy was a second father to me. Everyday as a child, I would run across the street and ring their doorbell as I’d anxiously wait at the door looking to hang out with Mark. Guy would always open the door and welcome me into his home with a warm smile as if I was one of his own. For the sixteen or so years that I lived across the street from this wonderful family, Guy has taught me countless life lessons that stand by me to this day. In particular, he taught me to always smile and keep a positive attitude, which is how he lived his life.

We have lost a great friend, rest in peace! You will always have a place in my heart

“ *No words can express the pain and emptiness I feel today. We have lost a great friend. Guy was a quiet man who kept to himself but full of passion to help others and volunteer his time to better his community when called on. He was a man full of wisdom and integrity and one who loved coaching and watching his children compete and excel in whatever they did. His love for Francine, Mark, David, and Elise was unmatched. Family was everything to him. Only time will heal the pain of his loss, but I'm thankful that my memories of him will last a lifetime. I will miss his addictive smile, his body language when he laughed, and all the good times we shared over the years. I was fortunate enough to share a beer with Guy this past New Year's Eve and I will be ever grateful for that time in my life. Rest in peace my friend!*

Guy offered our Oradell community countless hours as a volunteer in all the recreational sports. He made it a priority to give to our community as only few others do on a daily basis.

I recall his interest in the Challenger baseball program I was overseeing at the time of his involvement with Oradell's Little League. One time in particular he spent an entire morning helping organize an annual event our district offers our players.

His presence at that event made me feel special as I knew how busy and involved he was with our entire Little League. I can only hope he and particularly his family know how appreciative we as a community are for his service.

I want to offer my deepest sympathy to Francine, Mark, David and Elise.

“ Will always remember the play by play of how he delivered his daughter Elise. We were all congregated around the fire in my backyard that evening and he came over glowingly giving us all the details in such an animated way! He was so proud of all his children. A great neighbor and friend. I will cherish the memories and will miss him for the rest of my life.

“ *This is so sad and I am at a loss. Never in my life would I expect to be saying goodbye to you Guy! Not this way!*

Thank you for accepting us into your soccer family and helping us to mold our son Eric into the man he is today. Everyone who touches you, who knows who you were, knows you are a very special man of integrity and kindness. I am so sorry we missed getting together with Rich. Someday when we meet again my friend!

I met Guy in 1986 when we worked together at Mutual of New York. We haven't been in close touch recently but I knew how happy he was to have Francine and the children in his life. Like so many who wrote before me thinking of Guy always brings a smile to my face. He was a wonderful, funny, caring individual who was a joy to work with. He will be missed but I can just see him looking down on all of us and smiling that infectious grin. I am saddened to know there is one less angel on earth. Rest In Peace Guy, Rest In Peace.
