Condolences to the entire family. I went to Bischoff's for the first time when I was 6 years old with my dad. I grew up eating at Bischoff's my whole life, and have brought my children and grandchildren there.

“ We were so sad to hear about Gary's passing. We are sending love to the whole Mather family during this difficult time. The Mathers have always made us feel so welcome at Bischoff's and we will miss seeing Gary's smile when we visit the shop. Thank you for sharing all the beautiful photos in the video! With love,

“ I grew up down the street from Bischoff's in the 60's. Hung out there when I was in HS in the 70's. Would stop in once I left Teaneck in the 80's. Brought my own kids there in the 90's when we visited their grandparents. My Mom still lives in the same house -- and when I'm here and its hot out, I treat myself to a float or a soda or a shake. Thanks for being the cultural anchor of Cedar Lane while so much else changes around us.

“ *Gary was a steady in my days for so long. I worked at Bischoffs when I was 19 and my family worked there through time as well. I can see him behind the counter with that beautiful bolo necktie with the turquoise stone in it. Love and sunshine to Anita, Brian, Stephen, Colette and family. His presence had an impact on earth.
