“ My condolences to the entire family. As Bruce's best friend, I spent a lot of time around the family in Bogota, and got to know him well. I always called Gene "Mr T". One day he told me to call him Gene 'because we were friends'. That meant more to me than he knew. I loved & respected him. His quiet dry sense of humor, and his wisdom, had a profound effect on me, and my life changed direction thanks to Gene, and his encouragement. It's impossible to define my gratitude for the friendship Gene offered me. I'm very sad to learn of his passing. My love to Nikki, Linda, and the family.
