“ George and Angie, almost one name,,, you were so in love, my friends for a long time,,, i will always be grateful to George and Angie for introducing me to my Fred, I had 16 wonderful years with him, before he went to his campfire in Heaven, I know Fred and George are hanging out, and having a beer, and watching over us. as Bob Dylan sang-- a favorite singer of both of them-- "IF NOT FOR YOU " I would have been sad and blue, If not for you bringing me Fred, and your friendship, I will miss you
