“ I am so sorry to hear about George's passing. My thoughts and prayers go out to his friends and family. Although we are second cousins I actually had the pleasure of meeting him only a few months ago. But right from the start we knew we would become great friends/family. I would see him when he came into my work, which is where we met, and would send a few messages via facebook. He was extremely nice, a great person to be around and talk to. We were actually talking about trying to form a get together so we could meet more of our family from both sides. I am so sorry that we are going to miss out on that opportunity with him. Maybe we could still plan something in his honor. I feel truly blessed and honored to have had the chance to meet him and get to know him a little. My sympathy goes out to all who knew and cared for him. He will truly be missed. Much love, Peggy 201-397-0930.##imported-begin##Peggy Ebhardt##imported-end##
