

Georgina Corbo

April 3, 2020

Georgina Corbo, of West New York, New Jersey was peacefully lifted into the arms of our loving Father on April 3, 2020. Georgina was born in Havana, Cuba and came to the United States with her husband and four children in 1968. Throughout the years, Georgina studied at several schools and earned her Early Childhood Teaching certification at Columbia University, while working full-time and raising four young children. Georgina began her professional teaching career as a paraprofessional at the Lincoln Center Nursery School. Then she went to work at Hartley House in midtown Manhattan where she taught early childhood through 6th grade for 43 years until she retired in 2017, at her young age of 87 years old. The time she spent with her students was a great source of joy in her life. In her spare time, she officiated Bingo games and organized events for her midtown Seniors group. She was a passionate gardener, and spent countless joy filled hours pruning her beloved trees, repotting plants and flowers. In her later years, she painted beautiful works of oil on canvas and created many ceramic figurines and clay pottery. Georgina's beautiful soprano voice could be heard throughout the house, more often than not, and did she have some moves. She was an amazingly elegant dancer who was always impeccably dressed and made-up. She was always very proud to be the President of her church organizations at Saint Benedict's and Sacred Heart in Manhattan for over 30 years. Lastly, she cherished and protected her children, grandchildren, great-grandchildren, and many pets tirelessly. Her sense of humor, altruism and strong faith made her a

bright light and blessing to all she knew.

Georgina is survived by her four loving children, six grandchildren, six great grandchildren and dog.

“ I remember all the fun days my daughter spent with Georgina in Hartley House, she made Hartley House parents feel they were dropping their children at grandma’s house, so loving and welcoming.
Everyone loved Georgina in Hartley House and outside of Hartley House as well. She loved all like her students as her own grand children. Even as the years went by and all her babies were grown with their own, she still kept in touch with them. Rest in eternal peace you are a beautiful soul. I will miss your loving conversations dearly. ❤️❤️❤️❤️

“ I lost the most incredible person in this world.. My best friend, my grandma. Such a strong and independent lady that took no shit from anyone.. The only person in this world that held all my secrets and has never judged me and loved me 10 times more for being me.. I owe her everything.. No one is ever gonna understand how much you mean to me. The most special bond i could have the only person that knew everything about me.. But i know you were suffering and at least now you can rest and watch from above, my guardian angle.

“ I remember my first day at Hartley House walking into the big theater room so scared because I was alone and didn't know anyone.. I remember in a very loving and warm voice Georgina called me over to sit and have snack with her; in that instant any feeling of fear quickly drifted away! She had a way about her that will forever live on... I love you tons XOXO Tiffany

Mis condolencias para toda su bella familia 🙏 Mi querida Georgina fue más que una compañera de trabajo fue esa hermana que cada tarde después de que ella terminara de trabajar se sentaba en el lobby a tomarnos un café y a contarnos las penas y alegrías, esa hermana que supo amar mis hijos y nietos como si fueran los suyos, vivía súper orgullosa de su familia la cual amaba incondicionalmente. Esos 40 años que trabajas juntas fueron hermoso y aun cuando en 2010 me mude a PR siempre mantuvimos una bella comunicación donde todavía nos contábamos nuestras penas y alegría. Vivira por siempre en mi corazón mi querida Georgina ✨🙏✨ concédele señor el descanso eterno y brillé para ella luz la luz perpetua y descanse en paz amén ✨🙏✨
