

Geraldine Agnes Byrne

September 3, 1934 - January 17, 2023

Geraldine Agnes Byrne has passed away at the age of 88 after a short battle with COVID. She lived a healthy and vibrant life. She grew up in Mt Vernon NY and attended St Luke's to become a nurse. She married her beloved husband, Harry in 1961 and they moved into a house in Oradell, where they have lived for 58 years raising two children and recently celebrating their 60th Anniversary. Gerry later obtained a bachelors and masters, becoming a nurse practitioner and working for many years at Bergen Pines.

Upon retirement she and Harry traveled all over the world on many birding trips. Much of her retirement was dedicated to volunteering, focusing on environmental issues and birding. She served as the Regional Soil District Conservation Supervisor for 20 years, helping to organize native species plantings twice a year in many of the Bergen County parks. As a member of the Audubon Society, she participated in numerous eagle watches and bird counts. Once even getting to hold an eaglet from a nest as a veterinarian helped it. She and Harry also enjoyed hiking and volunteered for the NY/NJ Trail Conference for many years where they maintained trails in West Milford.

Gerry is survived by her husband, George Harry Byrne, her daughter, Kim Novak, her son, Chris Byrne and her grandchildren Will and Jessica Novak and Owen and Devin Byrne. Those wishing to honor Gerry are invited to make a donation in lieu of flowers to Friends of the Bergen County Zoo (Van Saun),
