“ My deepest regrets to you Diane & family. I've known Gerry for over 50 years and he was the greatest. He was my first supervisor at Sore Insulation and the best one I ever had. He helped me through my apprentice program. The only thing I can say now, is memories are forever. We appreciated all the picture Christmas cards received from your family throughout the years and know that our prayers are with you and your family now.###imported-begin##Robert Klemm###imported-end##
