“ Candy, Charlie, Loretta and Family: We shall greatly miss your mother's huge smile and big personality. It seems like just yesterday that she and Charles became part of our family when we first met them in September of 1969. They brought such fun and amusing stories to our gatherings. Gert lived life to the fullest and she shall be forever in our memories. All our sympathy and love, Sherry and Perk###imported-begin##Sherry & Perk###imported-end##
