“ You have been a second mother to me for over 40 years. I will never forget the wonderful times we had all those weekends in the mid-60's with your great family; how welcoming you always were. Like it was no big deal to add a 7th child to the family. And you continued that when Sheila and I and our kids visited...especially Andy who you "adopted" as another grandson. You are a special lady and will forever be a part of my life. Love...Al##imported-begin##Al Tinson##imported-end##
