“ My condolences to her family. Gina was a childhood friend & her family was there for me when my chips were down. They treated me like a member of their family. Had great times with her which i still have in my heart. She will always be my sister in my eyes. My deepest regret is that i moved and lost touch , then i found her through FB. I was so happy then. R.I.P. Gina. Til we meet again. Love you always and forever.

“ *Our deepest sympathies go out to Gina's entire family. Our hearts are so heavy at this time for our dear childhood friend. When we were sitting in your house regaling old times times, it seemed like only yesterday, even though it was 40 yrs. later. We had so many laughs. Those are what we will remember when we think of you. R.I.P. our dear friend. We love you and will miss you! Debbie & Pat Brennan*
