Raising children together, hunting for baubles at garage sales, playing bridge, and the fun of exploring the west with Marion are all fond memories that will always remain in our hearts. “ To Aunt Gloria, one of my favorite aunts, you will be missed. You were always such fun, the life of the party! Family occasions were such fun when we were young and you were one of the main reasons with your sense of humour and self deprecating wit. The stories you told were great and you were a great story-teller! Of all the family, you always reminded me most of my father and I will miss you both very much. “ Nanny, I remember when we used to make salad together, I will always keep our recipe a secret. :) You always helped me clean my room and you always gave me and my sister the nicest dresses and jewelry. I love the fact that you love everything just, right, and perfect. I wish I could be more like you especially when it comes to remembering all the facts about history! I hope that you will remember me in heaven and be my angel. Love,
