“ One of the greatest gifts my parents ever gave me was my big brother Greg.
It will be hard to go on without him, for he always gave of himself... and has left so much to remember him by.
He will be held in our hearts until we can hold him again in heaven. Death ends a life, but not the relationship & memories that will live on in our hearts forever.
We love you Gregory...And if there is eternity we will all be together again...

“ *My deepest sympathies to the Taylor family-I knew Greg for 30 years having worked with him at Quirk FH and then at Volk Leber. I considered him a wonderful person and was blessed to have known him all these years. Some of my most cherished memories will be the holiday dinners at Segovia Restaurant. He had the biggest heart of anyone I have ever met and he will be missed.*
