“ *Marianne and family, I am very sorry for your loss. As you know, Guy was very special to me. Although there was 40 years between us, he was my friend. I have, and will continue to miss his expression when he either won or lost \$3 to me at golf. He was such a great competitor, even in his 80's when he beat me, there a smile from ear to ear. When he lost, he hated it. I will miss him FOREVER.*

*Proud to be his friend,*

“ When I think of memories of Mr. Mo (what we lovingly called him) there are absolutely too many to list. Whenever I think of him or see a picture I just smile. I feel blessed that he was part of my life for so long. He truly was like a second father to me. My children call him Poppa Guy. One of the most fondest memories of do have of him was at my wedding 32 years ago. Every time I walked past Pop he would grab my arm and off to the dance floor we went, laughing all the way. I danced with him more than my own father and for that matter even my new husband! He was one of a kind and I will truly miss him. Rest in peace Pop until we meet again, save me a dance!
