“ *To know her was to love her! I got the opportunity to come to her Christmas party one year with her niece and my best friend Wendy. Although she was so busy preparing for all those people to come to her party, plus additional house guests besides Wendy and I. She and John, since it was my first visit to New York had arranged all kinds of fun things for us to do. Made my trip very memorable and I will always cherish my time spent with her through the years. I love you Gwinnie and will miss my weekly heys through Sheila 🙏😇😭*
