“ *Tita and Justin, we were so sorry to hear of Tito Harold’s passing. Although we never had the chance to meet him in person, we’ll always remember the thoughtful way he helped us stay connected with you all through Skype. At a time when it meant so much—especially as a new mum—that gesture brought real comfort and support to our family, and it hasn’t been forgotten.*

*Please know we’re thinking of you both and sending our love. We hope you find strength in your memories and in the quiet ways Tito Harold’s touched the lives of those around him, even from a distance.*

*With our deepest sympathy and love, The Brennans*

“ Harold was a loving father and husband to my mother. He cared deeply for those closest to him and supported them without hesitation. Because of him, my love for sports—specifically baseball and football—grew from a young age, and I will deeply miss all of the times we bonded over watching and talking about sports together. Simple moments, like sitting at the dinner table or watching TV, will be missed more than words can express. Rest easy dad you will be dearly missed.

“ He was a loving dad, a great husband a good friend. He loved to dance and everytime we saw each other , he danced with me. I used to joke with him all the time, and he always fell for it he loved it and it made us both laugh. He was crazy about the Yankees and knew everything about them-I'll always remember how much he loved that team.

*We will miss him a lot, but we'll always remember him with love.*

*Harold was a nice and jolly person, he became my carpool during those times I don't have a car, and while driving we never stop talking and talking, what si always remembered is everytine we will go to his house, we will not see him if he don't wear his hair, that's the most embarrassing moment for him if we saw him without a wig., Harold now you don't have pain, and already in peace, Don't forget to pray for ate J and Justine.*

“ *Harold was a loving father who truly cared about his children. He had a wonderful sense of humor and was easy to get along with. We had so many fun times, especially when I was a little girl. I will dearly miss all the good memories we had! My dad always knew how to make life fun as I was growing up. He used to make me laugh and I remember us going to baseball games, listening to music together and playing with his train set. Thank you, Dad, for all the good memories. You will be dearly missed by us all.*
