“ *Mr Lee, was a very caring, loving and respectful individual. He was a doctor, pharmacist, advisor, daddy and friend. We were surprised to learn of his sudden death. He will be sadly missed by our family. God gives life and He takes it away. May his soul rest in peace and light perpetual shine upon him. Our condolences go to his sons George and David from Frank and family.*

“ *Mr Lee was a long standing friend of my family. He was a pleasant man with a kind heart. I have many fond childhood memories of him from my home country, Jamaica and Canada where he often visited. My last in person memory of Mr Lee is when he boiled me some tea in my kitchen for my hypertension while visiting Canada. I always speak to him on the phone and on of his many last wishes was to visit Canada in 2023. My family and I was also looking forward to that visit. I am blessed to have known Mr Lee, his kindness will live on in each and every life that he touched. He will be remembered and missed. Sleep in peace my kind and lovely freinf*

“ *Dr Lee was that sweet old guy he always had that sweet and sour tonic for you and you had to drink that shot in front of him, he knew all to well that if you left his sight that you wouldn't drink it. He will be missed dearly. Rest in Heavenly peace Mr Lee*

“ Mr friend 👨👩 Mr. Lee, I will surely miss you.
All our chats and laughs together. Oh, how we
confided in each other, and trusted one
another. I saw you!

I knew I was safe with you, because your heart
❤️ was kind like mines and not just to me, but
to so many people. We had so many things in common my Scorpio
friend.

No one could change your heart. You Never stop loving people and
healing them /us with your life in a bottle. “No worry about money “.
“Come get better, come get life in a bottle” You tell everyone.

I’m sorry you missed my birthdate 🎉 party. I am sorry I didn’t get to
surprise you on yours this year. I woke up with you on my mind, to
tell you I’m gonna have my sister Crystal pick you up for my big day.
Only to get the sad news💔, on my big day. Oh how sad it was.

Thank 🙏 you for reminding me of my kind and loving daddy. Always
humbled and not making anything be worrisome. Always helping
and giving to others without question. Always reminding me “it’s all
gonna work out”. It was always a pleasure to help you with anything
my elder friend.

I Do miss you 😭 my friend. I sure do miss you.

I WILL NEVER FORGET YOU. YOU SHOWED ME THAT I WAS
NOT THE ONLY KIND PERSON IN THE 🌍 WORLD.

I do miss you 😭😭😭. Gone too soon!!!

R.I.P. Mr.Lee With my Deepest Respect and Love

❤️👉👈🌱. Jah live.

Lucille-“Lucy” (like you use to say).
