“ Hank has been my honorary uncle since 1962....the year I started dating and eventually married his nephew Dick. Although we haven't seen each other in awhile, I always looked forward to our birthday chats in May and December when we'd catch up on all the family news. I am saddened by his passing, but I know he is now where he belongs.... reunited with his loving wife and the rest of his loved ones who have passed on before him to the next life. My heart goes out to the family he leaves behind.....but I know he will live on in your hearts. Treasure the memories and may they help to soften your sadness. Rest in peace, dear Hank, until we meet again. xxxooo
