“ *Your mom contacted me several years ago looking to buy Avon Candid perfume. Although I was only selling to my coworkers at the time Ida sounded so sweet that I was happy to accomodate her. Through the years I always looked forward to her call as she always had a smile and kind words, no matter what she was going through. I am sorry for your loss and will miss seeing Ida's smile.*

“ *Love and miss you so much grandma. Going to miss that beautiful smile and our crazy poolside fun during the summers. Given grandpa, mom and dad a kiss from us and tell them we miss and love them too. Thank you for being my grandmother for the last 20 years.*
