“ *The Ciottoni's have been a part of my extended family since birth. I couldn't wait for the days ma or pop would say we were going there to visit. It's strange what memories get triggered, but I remember many Christmas seasons at the house with the rotating color wheel lighting their tree. We had lost touch over the years, but I was so happy when we reconnected a couple of years ago. Miss you dearly, Aunt Irene. Rest easy. Say "Hi" to my Godfather for me please. Love you.*
