“ *I actually only met Mrs. Zier once, by accident, while waiting to see Dr. Zier at the office he maintained in the basement of their home in Teaneck. I was an unhappy teenage boy and her husband treated me from 1968 thru 1973, and got me thru the worst period of my life, and I have always remembered him with fondness. I am sure his wife, Isabella, was a big part of his ability to listen and be supportive to me and all of his patients and so, even though her support was once removed, so to speak, I know that I owe her a big debt of thanks for the help I got from her husband. My thanks and condolences to all of her large family.##imported-begin##Paul Cicchetti##imported-end##*

“ We love you and will miss you, Aunt Isabella. You were always there for all of us - from the 'classes' you prepared for us when we visited you and Uncle Doc (at the time, I wasn't thrilled about doing schoolwork outside of school, but your love and talent for teaching always made it interesting, challenging and ultimately kind of fun), to being at all of the important events in our lives - visiting us in Venezuela when we were homesick, attending our graduations and weddings). Aunt Teresa, while we're sure you'll miss your big sister, please know that you are an inspiration to all of us, for all you've done for Aunt Isabella and the rest of our family. You have also always been there for everyone, and we love you, miss you, and can't wait to see you soon. We wish we could be there to share our love and fond memories with the whole family this weekend, but are looking forward to visiting everyone this summer. Peace and love, Steve, Kara, John, Luke and Celia###imported-begin###Steve and Kara Campo###imported-end##

“ To the extended family of Aunt Isabella (or Tia Isabel, as she was known to me and the Zier side of the family), please accept my heartfelt condolences on your loss. I too have happy memories of family visits with Tia Isabel and Tio Adolfo -- spending time with them at their Teaneck home where we were always made to feel welcome, going into New York together to do things. It was Tia Isabel and Tio Adolfo who took me at the age of 10 to my first (and only) ballet performance at Lincoln Center! Tia Isabel was a warm, lively and generous person. We were lucky to have had her in our lives.###imported-begin###David Kamer###imported-end##

“ George and I send our heartfelt condolences to Aunt Teresa and all our family upon the loss of our unforgettable Aunt Isabella. I'll never forget the "school" she set up for all the cousins in her basement, teaching us extra lessons that helped spark our love of learning; the delicious tomatoes she grew every summer; her passion for the arts and culture (from the opera to old Cuban songs); and her curiosity and open-mindedness, which helped me so much in becoming the person I am today. We love you and miss you, Aunt Isabella! You will always be in our hearts, thoughts, and prayers. With love, Ralph and George###imported-begin###Ralph Campo and George Arroyo###imported-end###

“ We are deeply saddened by the loss of our beloved Aunt Isabella and would like to offer our condolences to all our family members and loved ones. I have many fond memories of my Aunt from my childhood. She was always there for my dance recitals and birthday parties and was even there with me to celebrate my graduation from college. We also celebrated together many times on August 16th, my birthday and her and Uncle Doc's anniversary. I am happy that she knew my husband, Michael, and met my daughter, Kate. We will all truly miss her. Love, Michelle##imported-begin##Michelle & Michael Berolzheimer##imported-end##
