“ Sam always brought joy to every room he was in. He was always like a second father to me ever since I was young, and he always knew how to put a smile on my face. When I would stop by and talk to you, I always left with a smile on my face and my day was instantly better. You created an amazing family, and all of your sacrifices will be remembered and appreciated. Thank you for everything you did throughout my lifetime, and I will continue playing my bagpipes in your honor because you always told me how much you loved them. Till we meet again❤️
