“ *I'm continuously surprised at how often I'm reminded of my day though he's been gone for more than 10 yrs....with almost daily reminders in how I caress my kids, shrug a response, use a tool and hear my inner voice....it's really quite wonderful as I recognize myself as my dad more and more. I never thought so much transferred in those years we had together but it does and did, and he's still a part of my days and weeks as time goes on.... Yeah, it's the worst thing right now but man dad's stick with us in so many ways....his story is not over...God Bless###imported-begin##Dan Guadagnoli###imported-end##*
